## Ways We Maximise Your Return

### Accurate Rental Appraisal

Our goal is to rent your property for the best price, to the best tenant, in the shortest possible time. It is important that the rent on your investment property is priced correctly from the outset. Our property managers have unparalleled local market knowledge and can determine ideal rental prices and tenant cycles, which will ensure minimum vacancy and maximum return on your investment.

### Professional Photography

Quality photos of your property increase the number of enquiries for your property. We also have found that properties which are promoted with professional photos tend to have more people attend open inspections, resulting in them renting faster and at a optimum price.

### Professional Marketing

To secure the best tenant, you need maximum exposure of your property. This is where First National Real Estate Coastal offers unrivaled expertise. Our comprehensive marketing includes exposure on our industry leading websites and major real estate web-portals all at no cost to you.

### Rent Payment Management

We offer your tenants a variety of payment options to ensure they have every opportunity to pay their rent on time:

Direct Debit/BPay or Credit Card (via our Ezi Debit service agreement)

Bank Cheque or Money Order

Payroll deduction

Centrelink benefit deduction

### Charging Tenants for Water

Laws state that if your property is separately metered, and water efficient to above a 3 star water rating you can charge the full water usage bill back to your tenant. Talk to us today about what is involved in making your property water efficient.

### Rent Arrears Management

At First National Real Estate Coastal, we have a '**zero tolerance to rent arrears**' process in place. We monitor all of our tenant payments daily, and commence our systemised process immediately if any non-payment of rent occurs.

We ensure all tenants are aware of this policy, and send them a reminder via SMS and email

immediately they fall behind. Should they breach their tenancy obligations as per The Residential Tenancies & Rooming Accommodation Act, we issue formal notification to prevent further escalation of the issue. Should the tenant fail to remedy the breach we will contact you for your instructions.

### **Regular Rental assessments**

When the lease on your property is due for renewal, we will conduct a rental assessments so that the rent can be increased to the current market rate at the earliest possible date. All recommendations are sent to you for approval.

### **Secure a New Tenant Prior to Vacate**

We communicate with our existing tenants to ensure that if their circumstances change we have as much notice as possible. We pride ourselves on our low vacancy rate, and the vacate / new tenant process is one we have spent many years refining.

### **Looking After Your Money**

The rent collected by us is disbursed mid-month (if preferred) and first business day of the month.

We can pay any approved invoices, relevant body corporate fees, rates and insurance invoices directly from the rent paid by the tenants.

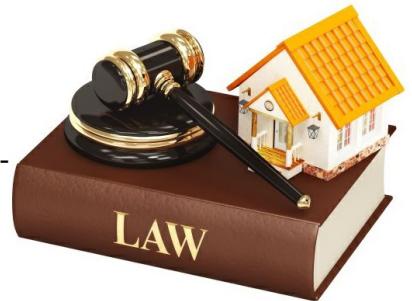

At the end of the financial year, we also provide a full account statement of the year's finances.

## Ways We Protect Your Investment

**Maintaining your investment property is our top priority.**

### Legislation and Documentation

One of the most complex areas of property management is the legislation and documentation required under the Residential Tenancies and Rooming Accommodation Act, Property Occupations Act 2014 and other associated legislation such as the Privacy Act, Anti-Discrimination Act and Trade Practices Act.

There are currently no less than 19 forms, which are required to be administered at certain periods of the tenancy. Each form has established procedures under which they must be completed and issued to the tenant. Failure to follow these procedures can lead to huge fines, costly court cases and place the tenancy in jeopardy.

Our Property Managers are highly trained professionals and regularly review any updates from the relevant authorities on the constant changes to legislation. They also attend professional training courses which are consistently updating their knowledge. It is our job to be well-versed in this legislation so you don't have to be.

### Communication

Your First National Coastal Property Management team acts as an intermediary between the parties of the tenancy – landlord and tenant.

Maintaining a respectful relationship between both parties is integral to achieving the best outcome. Although the interests of each party are not always aligned, our Property Management team is trained to look after your interests with tenacity and diplomacy, in accordance with legislative guidelines and regulations.

We keep you informed and up to date on all aspects of your property, and ensure that your requirements are met. We document all incoming and outgoing communication with your tenant. We also communicate internally to ensure the whole property management team is across all aspects of your property.

### Comprehensive Tenant Screening and Selection

Once a Tenant has completed our comprehensive application form, we begin our detailed assessment and due diligence on their suitability which includes;

Tenant History (Reviewing of past ledgers, and TICA checks)  
Obtaining current and previous rental references  
Confirmation of their employment or income  
Assessment financial affordability  
Checking of all personal references  
Verifying ID & Australian residential eligibility  
Whilst we put forward recommendations, the final decision is always yours.

## Commencing the Tenancy

Prior to tenancy approved applicants are required to attend our office to undergo formal induction. We explain the lease documentation and have them agree to all terms and conditions in writing. Our comprehensive tenancy pack includes detailed information advising your tenant of their obligations, and most importantly, our expectations concerning their conduct, and information for caring for your specific property, designed to limit and overcome possible issues.

Conducting a detailed Condition Report at the beginning of the tenancy is imperative to protecting your investment. This inspection exhaustively records the presentation of your property before your tenant moves in, including clear and accurate text descriptions, as well as photographs, to remove any ambiguity.

## Routine Inspections

We do our regular property inspections, and provide a comprehensive report to you after every inspection, so you are always kept informed about how the tenant is keeping the property as well as any issues the tenant has noticed that may require attention.

## Maintenance

We obtain all maintenance requests in writing, consult with you about any maintenance work if required, recommend professional and reliable contractors, organise quotes for you, or use your preferred maintenance contractors. We use only qualified and appropriately licensed tradespeople who provide prompt service at competitive rates.

## What our Clients have to say

The property [REDACTED] has been managed by your agency since August 2006. During those 12 years it has been in the always capable hands of any of your staff beginning with the ever-reliable Kim Alderton through to the Senior Property Manager. Your efficient property management process has left both my wife and I as happy, contented customers and we would happily recommend First National Coastal to those seeking the services of a professional, effective and efficient management agency.

[REDACTED]  
You have been very informative and helpful throughout this process and I would like to thank you. We haven't had the service that you have supplied with other real estate's we have been dealing with. So once again, thanks.

**Lynn S**  
**Tenant**

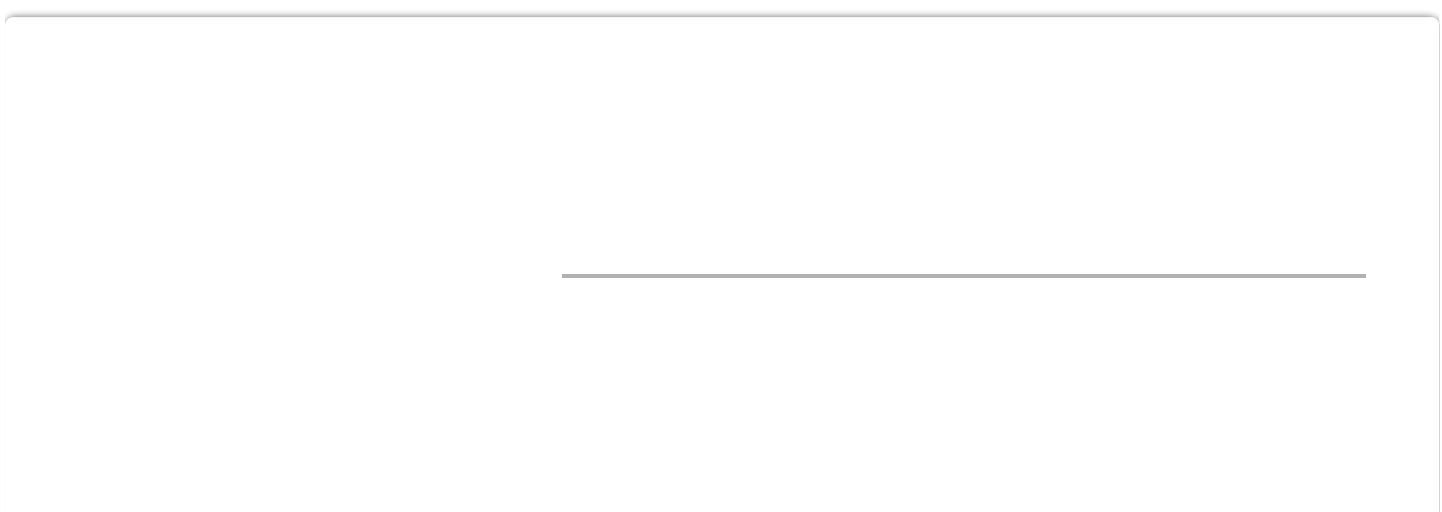

[REDACTED]  
Firstly would like to thank you for all your help last week in securing us a rental property. Really appreciated your professionalism, friendliness and urgency in finding and then confirming a rental property for us. Have had a few "interesting" experiences of Property Managers on the coast and you have been by far the best we have dealt with. Thank you again.

**P Cameron**  
**Tenant**

Your [REDACTED] commitment to providing a service of the highest standard is reflected in the regular communication we receive, minimal vacancy periods, no tolerance to rent arrears, prompt attention to maintenance, regular inspections and following through with all requests promptly. Nothing is ever too much trouble.
